

Parent Information Night 2018

CYBER SAFETY PROJECT

Our mission

Empower children to be safe and responsible digital citizens when using connect technologies.

Equip teachers with the tools and resources to develop proactive strategies through working with students, parents and the wider community.

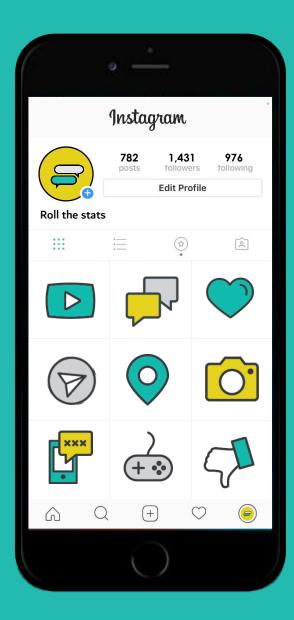

Engage parents and assist with fostering positive and safe environments for digitally engaged children in the home.

Themes

- Digital habits and Screen Time
- Gaming
- Social Media

Big Questions

- What is the role of schools, students and parents in tackling cyber safety?
- What do families need to know and be able to do to protect young people who are growing up digital?
- How can we maintain cyber safe practices?
