

**NIDDRIE PRIMARY
SCHOOL
REMOTE &
FLEXIBLE
LEARNING
STRATEGY
6.0
V.2 OCTOBER 2021**

PURPOSE

To allow for the continuity of learning.

To ensure that all students have access to education and teachers.

To maintain connections between home and school.

To ensure that there is an online platform available for teachers to teach and students to learn.

A consistent approach in line with Department of Education approved software e.g Office 365, OneNote Class Notebook & Webex Meetings.

SCOPE

School

Teachers will have contact with each student on a daily basis via live Webex Meetings.

Teachers will give student feedback in live teaching sessions and respond to daily tasks completed by students via their Class Notebook workbook over the week.

Specialist Teachers will give an overall weekly response to students the following week.

SCOPE

School

Teachers will load learning tasks into the OneNote Class Notebook Content Library.

Teachers will be responsible for monitoring the learning experiences and providing feedback on learning that is submitted.

Teachers will mark students present on the roll if they are at the live Webex sessions otherwise please notify your teacher or the school of any absence.

SCOPE - FAMILIES

Student login details have been emailed or given to your child. Please do not access this space until you are advised to via Skoolbag. If you have misplaced your login details, please contact your classroom teacher or the school.

Parents will provide access to a device, including internet connection (where possible). We understand that device sharing may need to take place in some households.

Parents will ensure students are accessing the learning presented through OneNote Class Notebook.

SCOPE - FAMILIES

Parents **will not** record any live Webex sessions or save and repost class content to any online platform. Eg. Social media, text messages, email.

Students are responsible for participating in allocated learning and submitting work through approved platforms – OneNote Class Notebook and teacher email.

If you have difficulty accessing online learning for your child, please contact the school via niddrie.ps@education.vic.gov.au

PLATFORMS WE WILL USE

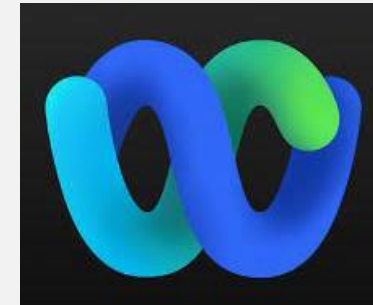

OneNote Class Notebook

- Content Library for learning content
- Student workbooks – for uploading student work

CONDITIONS & REMINDERS

- There will be **no recording** of Webex Meetings sessions or sharing of any Niddrie Primary content to any other platform. Please inform niddrie.ps@education.vic.gov.au via email if you are aware of breaches to these guidelines.

USEFUL TIPS FOR PARENTS

Provide a positive learning space for your child, try to minimise distractions and promote focus.

Use headphones for Webex Meetings live video sessions.

Allow time for your child to think, process and engage with learning materials before offering help and support.

Take note of any questions or wonderings you have about the content and email your child's teacher.

If sessions or lessons are missed, this is ok. It is up to the parents to manage the wellbeing and reasonable access to learning based on personal circumstances.

SUPPORT FOR PARENTS

- This Department website provides advice, tips and resources to help parents and carers support their child's continuity of learning from home including setting up a learning space, managing screen time and student responsibility.
