

PARENT PAYMENT ARRANGEMENTS - 2025

Dear Parents and Carers,

Niddrie Primary School is looking forward to another great year of learning and we would like to advise you of details in relation to Niddrie Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. **Nevertheless, parent contributions continue to provide an important and critical source of funding which enables us to supply resources necessary to maximise successful delivery of our learning programs.** The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your continued support of NPS, whether that's through paying the voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your financial contribution has allowed us to replenish or upgrade materials to support our curriculum and enhance our quality teaching and learning program. This has included purchasing and maintaining:

- books and resources for teaching reading and writing
- literature for classroom libraries
- hands on materials for teaching mathematics
- games such as chess sets and other maths or problem-solving resources
- sports equipment for the PE and Sports program and lunchtime activities
- art resources for the Arts program as well as classroom programs
- classroom furniture and organisational resources (tubs for books and other class resources)
- wellbeing learning opportunities
- digital technologies including the purchase of laptops, iPads and subscriptions to online resources.

The following pages outline the estimated spend per student for 2025.
